

CRYSTAL CRUISES

## Kosher-Style Cuisine at Sea

Crystal Cruises strives to accommodate the special needs of those guests for whom kosher cuisine is important. Following is information regarding our “Kosher-Style” dining program.

### **Kosher-Style Dining Program**

“Kosher-Style” refers to Crystal Cruises’ implementation of standard kosher guidelines. In addition to vegetarian and fish entrées, Crystal Cruises offers kosher meats and poultry from kosher certified facilities.\* A selection of white and red kosher wines is also available, as well as a wide selection of desserts.

Although we do not have a separate kosher kitchen, select Crystal chefs as well as kitchen and dining room staff have been trained in kosher food preparation, handling and serving. Only kosher pots, pans and utensils will be used and, all plates, silverware and glassware will be washed separately.

### **Pre-prepared Kosher Meals**

Crystal Cruises also offers pre-packaged certified kosher meals. Due to the unique nature of each ship’s itinerary not all pre-prepared selections may be available on every voyage. Crystal Cruises reserves the right to substitute with a similar selection. Each pre-prepared meal includes a vegetable and a starch, and many desserts are offered on board that vary with each sailing.

\*Kosher Certified facilities include (but are not limited to) the following:  
- Hermolis & Co. Middlesex, London, UK  
- Kosher Club Los Angeles, California, USA

### **Important Information**

Crystal Cruises requests that our guests who wish to dine kosher-style provide us with advance notice at least 90 days prior to sailing. In addition, we will make every effort to respond to more individual dietary needs.

“Kosher-style” dining is available in the Crystal Dining Room only and guests may consult the Maître d’ or Headwaiter with special requests. Kosher special requests outside the listed standards may incur charges. If you have arranged for a Mashgiach to travel with you, there is a \$25 per person, per day charge.

Due to limited provisioning resources, the number of guests per cruise who may partake in our Kosher-Style Program is restricted to 20.
